RESPONSE TO NOTICE OF INCOMPLETE REPLY (NONPROVISIONAL)

Dear Sirs:

This is in response to the Office Action dated December 18, 2001 ("Notice of Incomplete Reply (Nonprovisional)") received in connection with the above-identified application. The Office Action indicates that "[t]he oath or declaration is unsigned".

In reply thereto, attached please find a copy of applicants' "Response to Notice to File Missing Parts" dated September 5, 2001, as well as (1) a copy of the postcard stamped by the U.S. Patent and Trademark Office showing a date of receipt of September 10, 2001 ("Executed... Decl." is circled on the postcard), and (2) a copy of the Declaration which was submitted with applicant's Response dated September 5, 2001. As indicated in applicants' Response dated September 5, 2001 ("applicants now submit a fully executed Declaration and Power of Attorney"), and as can readily be seen from a review of the copy of the Declaration which was attached therewith, the Declaration was submitted dated and signed by all inventors.

Applicants therefore respectfully submit that their original Response dated September 5, 2001 fully complied with the requirements of the Notice to File Missing Parts, and request that the record of this application so indicate.

No extension of time or fee is believed to be due with this filing. If any extension of time is required, however, such extension is hereby petitioned for. If any fee is due, please charge such fee to Deposit Account No. 19-3880 of the undersigned.

Respectfully submitted,
